

# Extraordinary Experiences

## Lunchtime & After-School Clubs

### April - July 2026

**Clubs are a chance to make friends, build character, and try something new. Some help with qualifications or competitions. Others boost your well-being or support your learning. Talk to the club leaders to see what you'll get out of it—and how it can help you grow.**

**Silver D of E** – Year 10: See Mr Douglas for dates and meetings
