## Lunchtime & After-School Clubs

### September – December 2025

Clubs are a chance to make friends, build character, and try something new. Some help with qualifications or competitions. Others boost your well-being or support your learning. Talk to the club leaders to see what you'll get out of it—and how it can help you grow.

NOTE: *Skate Club* cannot run whilst Mount Hawke are having a re-fit of their ramps. See Mrs Gellatly in January

*Silver D of E* – Year 10: See Mr Douglas for dates and meetings
